PROFILE

I have transitioned from a web development background to cybersecurity. Over the years, I have developed my knowledge in penetration testing. I am very passionate about hacking.

SKILLS

- Penetration Tester
- Cybersecurity
- Javascript
- Web Developer
- Python
- SQL
- Linux

LANGUAGES

- Korean, English, Russian, Chinese
- Topik(4level)

EDUCATION

BACHELOR OF TECHNOLOGY

Hannam University
2021-2025

EXPERIENCE

APPLICATIONS DEVELOPER

Fitness app

- A beginner-friendly Android gym app offers full-body workout programs that are easy to follow, featuring exercises demonstrated through GIFs.
- Each exercise is accompanied by detailed text descriptions explaining proper techniques and target muscles.
- The app provides structured routines, making it easy for beginners to follow along and improve their fitness levels.

INTERNSHIP

I interned for three months in a university professor's lab.
September 2024 - November 2024
